Annual Tree Seedling Sale in Warren County

Warren County, Ohio—The 2017 Annual Tree Seeding Sale offers 25 different native trees and shrubs available to purchase until the March 17 deadline. The sale is a joint effort between Warren & Butler County Soil and Water Conservation Districts to increase reforestation efforts throughout the region.

Orders must be placed online at: www.warrenswcd.com by March 17. Tree pickup will be at the Warren or Butler County Fairgrounds on Thursday-Saturday April 6-8. Please contact Warren County SWCD at 513-695-1337 with any questions or issues with the ordering process.

Trees provide clean air, shade, food, lumber, increased property value, wildlife habitat, flood control, and protection against erosion. In addition to the tree and shrub seedlings a streambank stabilization pack is also available to combat erosion and collapsing streambanks.

Tree Seedling Sale
