

CLEARCREEK FIRE DISTRICT

Monthly Report

January 2021

Above and BEYOND

For nearly a year, Captain Justin Buehler has worked tirelessly on keeping our crews safe during the pandemic. When COVID-19 first became a threat, Justin used every resource available to keep up with emerging and ever-changing information to keep our first responders updated. He procured PPE, tracked usage, and stayed informed on the effectiveness of our gear. Justin assisted in developing a COVID Operations manual to ensure safe practices and began exposure documentation procedures. Additionally, this documentation and tracking led to county-wide changes, in which Justin was an integral part of implementing. As we learned more about the virus, Justin worked with the Greater Miami Valley EMS Council regarding safe practices on administering aerosol medications. Locally, Justin worked with nursing and care facilities on preplanning, so facility staff and patients know what to expect when first responders arrive.

Throughout the pandemic, Justin maintained a proactive approach to keeping our staff safe. He procured thermometers for daily temperature checks and created a logging system. He worked with Clearcreek Township to provide effective daily-wear masks for all Township employees. Justin also assembled home-care kits for staff members who contracted COVID-19 and countless other measures to keep everyone healthy.

These are only a fraction of the accomplishments Justin achieved this past year. He continues to monitor the pandemic and remains vigilant in keeping us healthy. Thank you, Justin, for all your work. We truly appreciate your efforts.

Meet FF/PM Wade Easterling. Wade joined our family in June 2018 as a FF/EMT. Wade graduated from Waynesville and earned his Firefighter and EMT certifications from Warren County Career Center. In January 2019, he obtained his Paramedic Certification from Butler Tech. Wade works out of Station 21, assigned to Unit 1. He brings experience from Wayne Township and the city of Blue Ash.

Wade currently lives in Clearcreek Township with his girlfriend, Abbie, and their dogs, Duke and Hemi. During his free time, Wade enjoys hunting, fishing, and riding his Harley.

Wade says, "It is important to me to work for the Clearcreek Fire District because of the leadership and endless training opportunities. It is a perfect combination for a great and successful career."

Tip of the HELMET

Congratulations to Kayla Luedtke and her husband, FF/PM Brad Luedtke, for their bundle of joy! On January 15, Brad and Kayla welcomed their daughter Ada Jane. Mom and baby are doing well, and we are excited to welcome this beautiful girl to the family!

SIGNIFICANT RESPONSES

On 1/1/21 @ 08:48 hours, Crews responded to a private residence for a reported structure fire. Upon arrival, crews reported smoke showing from the exterior of the structure and all occupants evacuated the residence. Crews advanced an attack line into the structure and reported a fire in the attic space. Crews accessed the attic and extinguished the fire. Crews checked for extension into the ceiling and found the damage confined to the attic space above the garage. The estimated property damage due to fire is \$7,000.

On 1/2/21 @ 17:31 hours, Crews responded to a private residence for a reported non-breather. Upon arrival, crews found the patient DOA. Crews contacted the coroner and released the scene to Clearcreek PD.

On 1/12/21 @ 09:39 hours, Crews responded to a private residence for reported breathing problems. Upon arrival, crews found a patient unresponsive. After assessing the patient, crews upgraded the call to a non-breather. Crews performed ALS interventions and transported the patient to Franklin Emergency Care.

On 1/13/21 @ 15:58 hours, Crews responded to a private residence for a reported non-breather. Upon arrival, crews found the patient DOA. Crews contacted the coroner and released the scene to Springboro PD.

On 1/13/21 @ 19:15 hours, Crews responded to a private residence for reported chest pain. Upon arrival, crews found a patient alert and oriented, reporting chest pain. During assessment, the patient went into cardiac arrest. Crews performed ALS interventions and transported the patient to Kettering Medical Center.

On 1/14/21 @ 18:23 hours, Crews responded to a private residence for a reported non-breather. Upon arrival, crews found the patient DOA. Crews contacted the coroner and released the scene to Springboro PD.

On 1/19/21 @ 10:17 hours, Crews responded to a private residence for a reported non-breather. Upon arrival, crews found the patient unresponsive and not breathing. Crews performed ALS interventions, with no response from the patient. Medical control provided a field termination of resuscitation efforts order. Crews contacted the coroner and released the scene to Springboro PD.

On 1/31/21 @ 18:44 hours, Crews responded to a private residence for a reported non-breather. Upon arrival, crews found the patient unresponsive and not breathing. Crews performed ALS interventions, with no response from the patient. Medical control provided a field termination of resuscitation efforts order. Crews contacted the coroner and released the scene to Springboro PD.

On 1/17/21 @ 10:25 hours, Crews responded to the intersection of East State Route 73 and Township Line Road for a reported motor vehicle accident. Upon arrival, crews found two vehicles with moderate damage, one going down a hillside and into a parking lot. Rescue crews extricated the driver from one vehicle and secured the scene. Medic 23 crews transported one patient to Atrium Medical Center, while Medic 22 crews transported another patient to Franklin Emergency Care.

Excellence *via* TRAINING

FIRE & RESCUE TRAINING

Crews completed Fire Core Competency-based training on donning Firefighting Personal Protective Equipment.

EMS TRAINING

Crews completed EMS Core Competency-based training on Airway Equipment procedures.

PREVENTION TRAINING

OFF-SITE TRAINING

COMPANY TRAINING

Each Station completed three individual hours of company development.

PROFESSIONAL DEVELOPMENT

Officers and acting officers-in-charge reviewed the updated Warren County Emergency Operations Plan, Hazardous Materials Annex, and the Chemical Emergency Response and Preparedness Plan.

Lieutenant Fiorito, FF/PM Biel, and FF/PM Whitney attended the Warren County Rescue Technician Series: Confined Space Rescue.

Engaging our COMMUNITY

PLANS REVIEW

Lieutenant Carman reviewed the following plans during January 2021:

1. Fire Sprinkler Plans, 55 Edwards Drive (Thaler Warehouse Building)
2. Fire Alarm Plans, 20 Eleanor Drive, suites A and B (The CinDay Academy)
3. Kitchen HVAC System, 1605 South Main Street (Springboro Junior High School)

INSPECTION ACTIVITY

On 1/26/21, Lieutenant Carman completed a Sprinkler Hydrostatic Test at 55 Edwards Drive (Thaler Machine).

On 1/28/21, Lieutenant Carman conducted a Fire Alarm Test at 216 Tahlequah Trail (Thaler Machine).

On 1/28/21, Lieutenant Carman completed an adoption inspection on Martin Drive.

Happy Valentine's Day

*Roses are red,
Violets are blue,
We're social distancing,
And hope you are, too.*

Here are some Covid-Safe Valentine's Day ideas:

- ♥ Make breakfast in bed
- ♥ Bundle up and go for a hike
- ♥ Have a romantic dinner for two at home. Don't feel like cooking? Check out any of our excellent local restaurants for take-out/delivery specials.
- ♥ Cuddle up for a romantic movie marathon

Leading through TEAMWORK

ADMINISTRATIVE ACTIVITY
