

Clearcreek Fire District

December 2017

Monthly Report

Highlights

Once again, we had the opportunity to make Christmas a little brighter for a local family. For the past six years, CCFD partnered with Wendy Ford and the Springboro Community Assistance Center (SCAC) to give back to the community we proudly serve.

The SCAC provides a wish list to FF/PM LeMaster who distributes it to the department. Clearcreek Firefighters and administrative staff purchase items from the list and bring them to station 21. The gifts are then collected by FF/PM LeMaster and his wife. This is all done on the Firefighters personal time.

On Monday December 18th, Lt. Stafford, FF/PM LeMaster, FF/PM Henry, and FF/EMT Bunker delivered the presents to Wendy Ford for distribution to the family. In addition to the gifts, we collected a \$150 donation for the SCAC.

Kudos

Kudos to FF/PM Walker and FF/EMT Holbrook for a job well done responding to a call on 12/8/17.

Kudos to Lt. Carman for providing top-notch CPR training to Springboro Baptist Church.

Kudos to Lt. Petry on his graduation from the National Fire Academy's Managing Officer Program.

Kudos to the following 2017 Award Winners:

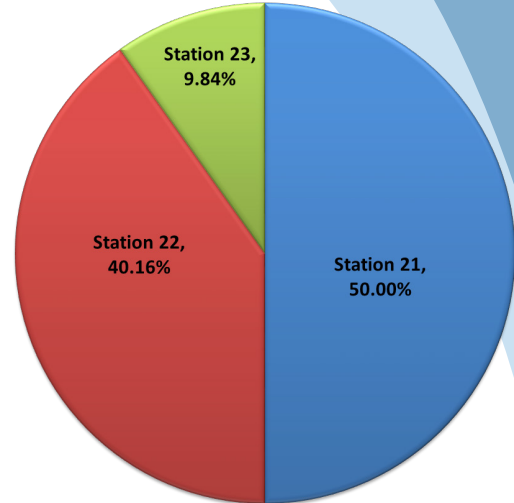

Doctor Scott Swope EMS Excellence Award
FF/PM Henry

Chief Dick Chenault Fire Service Excellence Award
FF/PM Deaton

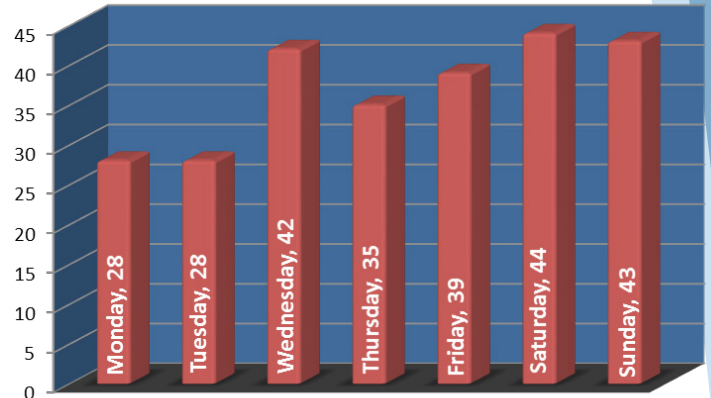

Fire Chief's Achievement Award
Capt. Urban
Capt. Clary
Lt. Sargent

Unit Citation Award - Unit 2, Station 22
Lt. Buehler
FF/PM Khan
FF/PM Bell

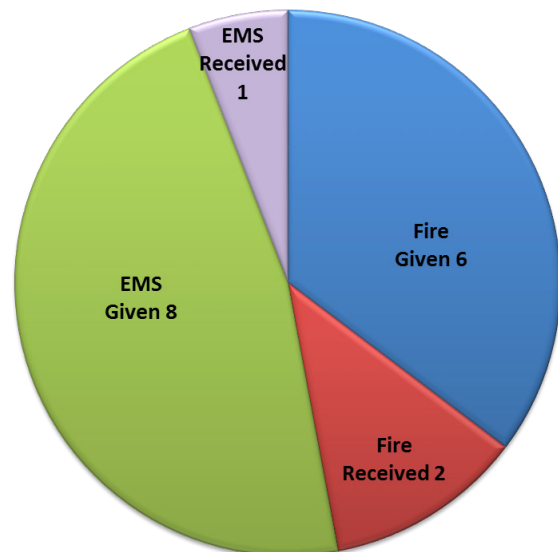

Station Response Percentages

Fire/Rescue/EMS By Day of Week

Mutual Aid

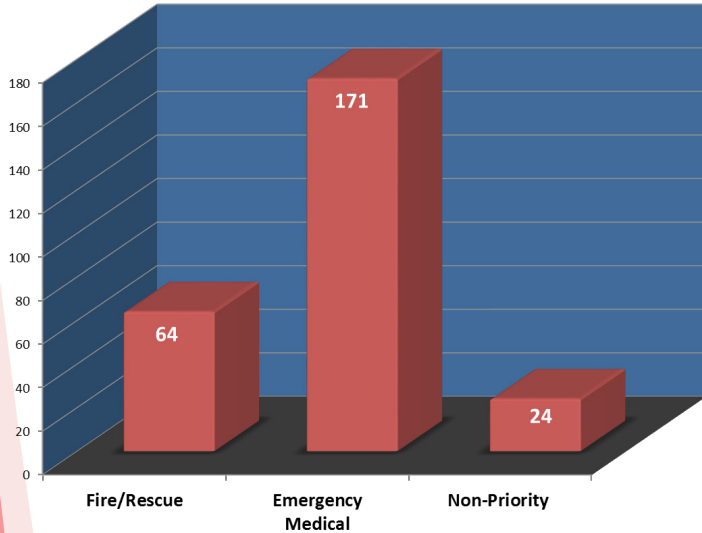

Significant Response Activity

Average response time for December 5.43 is minutes.

Average response time, Year-To-Date, is 5.44 minutes.

**Response times are denoted from the time of dispatch to the time the first unit arrived on the scene, per Warren County Communications.*

Alarms by Service Type

Alarms for December: 259
Alarms Year to Date: 3,112

On 12/7/17 @ 11:42 hours, CCFD Fire and EMS responded to Children’s Hospital South for a reported bomb threat. Upon arrival, crews met with Springboro PD and staged a command post across the street while police evacuated the building. Police officers apprehended the person allegedly making the threat and after a search of the building discovered no bomb or other issues.

On 12/12/17 @ 14:22 hours, CCFD Fire and EMS responded to East State Route 73 for a reported non-breather. Upon arrival, crews found a 47-year-old female not breathing. Prior to crew arrival, patient received CPR from a friend followed by Clearcreek Township PD taking over CPR and placing AED on patient. Crews initiated Advanced Life Support Protocols and contacted the medical control Physician who issued a field termination of resuscitation order.

On 12/16/17 @ 05:01 hours, CCFD Fire and EMS responded to East Central Avenue for a reported non-breather. Upon arrival, crews found a 98-year-old male unresponsive and receiving CPR. Crews initiated Advanced Life Support Protocols and contacted the medical control physician who issued a termination of resuscitation order.

On 12/17/17 @ 12:41 hours, CCFD Fire and EMS responded to Foliage Lane for a reported non-breather. Upon arrival, crews found a 50-year-old male not breathing and pulseless. Crews initiated Advanced Life Support protocols and transported the patient to Sycamore Hospital.

On 12/22/17 @ 15:31 hours, CCFD Fire and EMS responded to College Hill Terrace for a reported structure fire. Upon arrival, crews found a working fire with moderate smoke coming from a two-story residential building. All occupants evacuated the home. Crews advised the source was from a grease fire in kitchen, where crews located the fire and noted extension onto the floor and cabinet area of the kitchen and into the living room. Crews controlled the fire using a dry chemical extinguisher with a hand-line available for back up. Crews extinguished the fire, performed salvage and overhaul. Miami Valley Fire District provided mutual aid assistance. Estimated property damage was \$200,000.

On 12/25/17 @ 22:42 hours, CCFD Fire and EMS responded to Rio Vista Court for a reported structure fire. Upon arrival, crews found no fire showing but noted a significant amount of smoke. Police officers advised crews that the fire started from a candle located in the basement. Crews performed overhaul and ventilation and noted smoke damage throughout the basement. Estimated property loss was \$10,000.

On 12/29/17 @ 06:47 hours, CCFD Fire and EMS responded to Cherry Street for a reported unconscious/unresponsive person. Upon arrival, crews found a 72-year-old male pulseless and not breathing. Crews initiated Advanced Life Support Protocols and the patient regained a pulse. Crews transported the patient to Kettering Franklin Emergency Center.

Chief Agenbroad and Assistant Chief Simpson attended a Public Sector Legal Update seminar on 12/7/17.

Chief Agenbroad and Assistant Chief Simpson attended the ground breaking ceremony for the new Miami Valley Hospital Austin Boulevard Emergency Center on 12/18/17.

PUT A FREEZE ON WINTER FIRES

Home fires occur more in winter than in any other season. As you stay cozy and warm this winter season, **be fire smart!**

Half of all home heating fires occur in the months of December, January, and February.

Keep portable generators outside, away from windows, and **as far away as possible from your home.**

Install and test carbon monoxide alarms at least **once a month.**

Have a qualified professional clean and inspect your chimney and vents **every year.**

Heating equipment is involved in **1** in every **7** reported home fires and **1** in every **5** home fire deaths.

Store cooled ashes in a tightly covered metal container, and keep it outside at least **10 feet** from your home and any nearby buildings.

Keep anything that can burn at least **3 feet from any heat source** like fireplaces, wood stoves, radiators, or space heaters.

Plug only **1** heat-producing appliance (such as a space heater) into an electrical outlet at a time.

For more information on how to prevent winter fires, visit www.usfa.fema.gov/winter and www.nfpa.org/winter.
