

# CLEARCREEK FIRE DISTRICT

## Monthly Report

July 2022

### Above and BEYOND

From Assistant Chief Noel J. Akers, Chillicothe Fire Department, "I would like to take a few minutes to write to you about the conduct of Firefighter Michael Toothman. As you may or may not know Firefighter Toothman was employed with the city of Chillicothe prior to coming to work for Clearcreek Township. During that time he was a dedicated and hard working employee. Recently we had a beloved retiree pass away, and we held a ceremony here at the station for him. Firefighter Toothman was present and represented himself, and your department with class, and decorum. I know his presence was uplifting to not only his friends, and former co-workers, but also and most significantly to the family of the deceased. I wanted to thank you and Firefighter Toothman for this professional behavior. I believe his actions were a positive influence on some of the younger firefighters present."

It is this type far-reaching dedication to doing the right thing, displaying reverence, and supporting communities near and far that makes us proud to have Firefighter Toothman in our family. As Chief Agenbroad states, "Thanks for representing the department, and yourself, in such a positive and professional manner."

A resident thanks Firefighter/Paramedic Sean O'Neill and Firefighter/Paramedic Jim Klems for their professional and compassionate service during an emergency in June. Well done!

Many thanks to all those involved for their efforts in saving the life of one of our own police officers. Caring for one of our own only compounds the stress of a situation, but that evening, our first responders maintained their professionalism during this critical incident. We are proud and grateful for all the training our crews put into maintaining this high-level service and continually offer our support.

The Gordon family thanks Lieutenant Nunzio Fiorito, Firefighter/Paramedic Eric Moncrief, Firefighter/Paramedic Wade Easterling, and Firefighter/EMT Scott Bunker for their assistance with the family's smoke detectors. Excellent work!

A resident thanks Firefighter/Paramedic Aaron Kidd, Firefighter/Paramedic Rob Burkhardt, and Firefighter/Paramedic Brian Lykins for their compassion and professionalism during an emergency. Well done!

### Meet your RESCUER

Meet Firefight/Paramedic Brian Lykins who joined our family in 2014. Brian earned his Fire and EMS Certifications from Cincinnati State Technical & Community College, along with an Associate Degree of Applied Science. Additionally, he is a Fire Inspector and Fire Instructor. Brian works out of Station 22, assigned to Unit 2, and brings experience from Middletown, Liberty Township, and Lebanon.

Brian lives in Lebanon with two daughters, his mother, for whom he provides care, and an Italian Greyhound. Brian also has a daughter who lives on her own. Brian enjoys spending his free time on construction and remodeling projects, riding his motorcycle, and shooting.

# SIGNIFICANT RESPONSES

On 7/1/22 @ 07:28 hours, crews responded to Jeanne Drive for a reported vehicle accident with injuries. Upon arrival, crews found a truck crashed into a residence with light smoke showing from the building's garage. Further investigation showed the truck struck a gas meter, causing a gas leak. Crews found no gas leaking into the home and determined the smoke originated from the truck tires. Medic 21 crews transported one person to Kettering Health Main Campus. Rescue 21 crews contacted Duke Energy to shut off the gas, performed ventilation, and secured the structure after a tow company removed the truck.

On 7/9/22 @ 15:34 hours, crews responded to State Route 48 for a reported vehicle accident with injuries. Upon arrival, crews found a car crashed into a building. Vehicle occupants evacuated the car and reported no injuries. Crews stabilized the car and checked inside the building for injuries and structural damage. No persons inside the building reported injuries. Investigation showed damage to a window frame but no structural compromise. Crews contacted the Warren County Building Department and a towing company to remove the vehicle.

On 7/4/22 @ 02:29 hours, crews responded to a nursing home for a reported non-breather. Upon arrival, crews found a patient in cardiac arrest with facility staff performing CPR. Crews initiated ALS procedures and transported the patient to Kettering Health Washington Township.

On 7/4/22 @ 21:49 hours, crews responded to Crossley Road for a reported building fire. Upon arrival, crews found heavy smoke and fire showing through the eaves and the roof. All occupants evacuated the building but reported two dogs trapped inside. A Primary search resulted in finding both dogs inside the structure. Using handlines, crews attacked the fire from both the exterior and interior. After extinguishing the main body of the fire, crews extinguished hotspots and checked for extension. Crews performed a secondary search to locate and extinguish hotspots. Washington Township, Wayne Township, the City of Franklin, and Turtlecreek Township provided mutual aid assistance. The estimated property damage from fire is \$125,000. On 7/5/22 @ 10:10 hours, crews returned to the residence for a reported building fire. Upon arrival, crews found smoke from a smoldering roof section that had rekindled. Crews extinguished the fire, performed overhaul, and extinguished any remaining hotspots. Washington Township provided mutual aid assistance.

On 7/9/22 @ 21:53 hours, crews responded to West Central Avenue for a reported passenger vehicle fire. Upon arrival, crews found a car with fire primarily in the engine area but spreading to the passenger compartment. The driver evacuated the vehicle and reported no injuries. Crews extinguished the fire using a bumper line. The estimated property damage due to fire is \$41,500.

On 7/10/22 @ 19:12 hours, crews responded to a residence for a reported non-breather. Upon arrival, crews determined the patient was DOA. Crews contacted the coroner and released the scene to Springboro PD.

On 7/12/22 @ 16:11 hours, crews responded to Pekin Road for a reported vehicle accident with injuries. Upon arrival, crews found a commercial truck rolled over with hydraulic fluid leaking from various locations. Crews applied absorbent to the affected areas, stabilized the vehicle, and transported one patient to Atrium Medical Center.

On 7/12/22 @ 20:43 hours, crews responded to a residence for a reported gunshot. Upon arrival, crews found one patient with a gunshot wound. Crews initiated ALS procedures and transferred care to CareFlight. Crews determined another patient was DOA. Crews contacted the coroner and released the scene to Clearcreek PD.

On 7/19/22 @ 06:15 hours, crews responded to a nursing home for a reported non-breather. Upon arrival, crews determined the patient was DOA. Crews contacted the coroner and released the scene to Springboro PD.

On 7/19/22 @ 06:54 hours, crews responded to a nursing home for a reported non-breather. Upon arrival, crews found a patient in cardiac arrest with facility staff performing CPR. Crews initiated ALS procedures with no response from the patient. Medical Control provided a field termination of resuscitation efforts order. Crews contacted the coroner and released the scene to Springboro PD.

On 7/20/22 @ 09:18 hours, crews responded to Hart Road for a reported vehicle accident with injuries. Upon arrival, crews found a pickup truck and tractor trailer involved in a crash with the pickup into a ditch and the driver entrapped. Crews extricated the driver and transported one patient to Kettering Health Main Campus. Finding no additional hazards, crews released the scene to Clearcreek PD.

On 7/24/22 @ 10:34 hours, crews responded to West Lower Springboro Road for a reported building fire. Upon arrival, crews noted dry chemical extinguisher powder and a burned electrical odor. Prior to crew arrival, the homeowner found an electric panel on fire and used the extinguisher on the flames. All occupants evacuated the building. Crews transported one patient to Kettering Health Franklin. Investigation showed burned insulation and heat signatures around the electric panel. Crews cut off power to the electrical box and contacted Duke Energy. Turtlecreek Township and Wayne Township provided mutual aid assistance. The estimated damage from fire is \$5,000.

On 7/31/22 @ 08:42 hours, crews responded to a nursing home for a reported non-breather. Upon arrival, crews determined the patient was DOA. Crews contacted the coroner and released the scene to Springboro PD.

On 7/31/22 @ 13:57 hours, crews responded to a residence for a reported lock-out. Upon arrival, crews met with the resident's family who were unable to contact the occupant. Crews gained access into the building and found a patient with stroke symptoms. Crews initiated ALS procedures and transported the patient to Kettering Health Main Campus.
