

Clearcreek Fire District

2003 Annual Report

CLEARCREEK

FIRE DISTRICT

Fire Protection and Paramedic Services

March 1, 2004

Honorable Board of Clearcreek Township Trustees, Springboro City Council, Administrator Dennis Pickett, Assistant Administrator Ronald Wilhelm, City Manager Chris Thompson, employees of the Clearcreek Fire District and citizens and visitors of Springboro and Clearcreek Township.

It is my privilege to present the 2003 Clearcreek Fire District Annual Report.

This annual report reflects the activities and achievements of the Clearcreek Fire District during 2003. This report is divided into several sections; which explain the many various activities in which the Clearcreek Fire District participates. As you will see, we truly are the "risk management" department for the communities of Springboro and Clearcreek Township.

As you recall in May 2000, the Clearcreek Fire District received voter approval to implement our ten-year Master Plan. The M.M.A. Fire Protection Consultants developed this plan and we have the privilege in implementing this plan to our customers. The Clearcreek Fire District is committed in "Keeping the Promise" to the citizens and visitors of our community. I am pleased to report that fourteen of the seventeen primary elements identified in the M. M. A. Master Plan have been accomplished.

The members of the Clearcreek Fire District are grateful for the support we received from you and the citizens of Springboro and Clearcreek Township. We look forward to working with you for the safety, prosperity and future growth of Springboro and Clearcreek Township.

I dedicate this annual report to all of the men and women who have paid the ultimate sacrifice in the line of duty so we, as neighbors and friends, may all be safe and secure in our homes.

Respectfully,

Bernie Becker,
Chief of Department

Clearcreek Fire Administration 925 South Main Street Springboro, Ohio 45066
Phone: 937-748-2766 Fax: 937-748-2566 **EMERGENCY: 911**

The mission of the Clearcreek Fire District is to provide customer - oriented health, safety, fire and emergency services with professionally trained personnel in an efficient and cost - effective manner, utilizing resources provided by the community.

"Show the Spirit"

Clearcreek Fire District

Fire Protection and Paramedic Services

Service: We are Responsive
Present a positive, friendly attitude in service
Deal directly with problems
Take prompt action
Are sensitive to citizen needs
Consider citizens valued customers
Express a "we can do it" attitude
Are willing to serve and be involved in the community

People: We Care
Show concern toward people, their needs and feelings
Have compassion for the people we serve and with whom we work
Are dedicated to the company
Respect self and others
Encourage personal and professional development

Integrity: We are Honest
Are open in our relations with others
Seek no favors, special privileges or patronage
Provide fair and equal treatment to all
Are dedicated to public service
Do our best, strive for excellence
Have high ethical standards

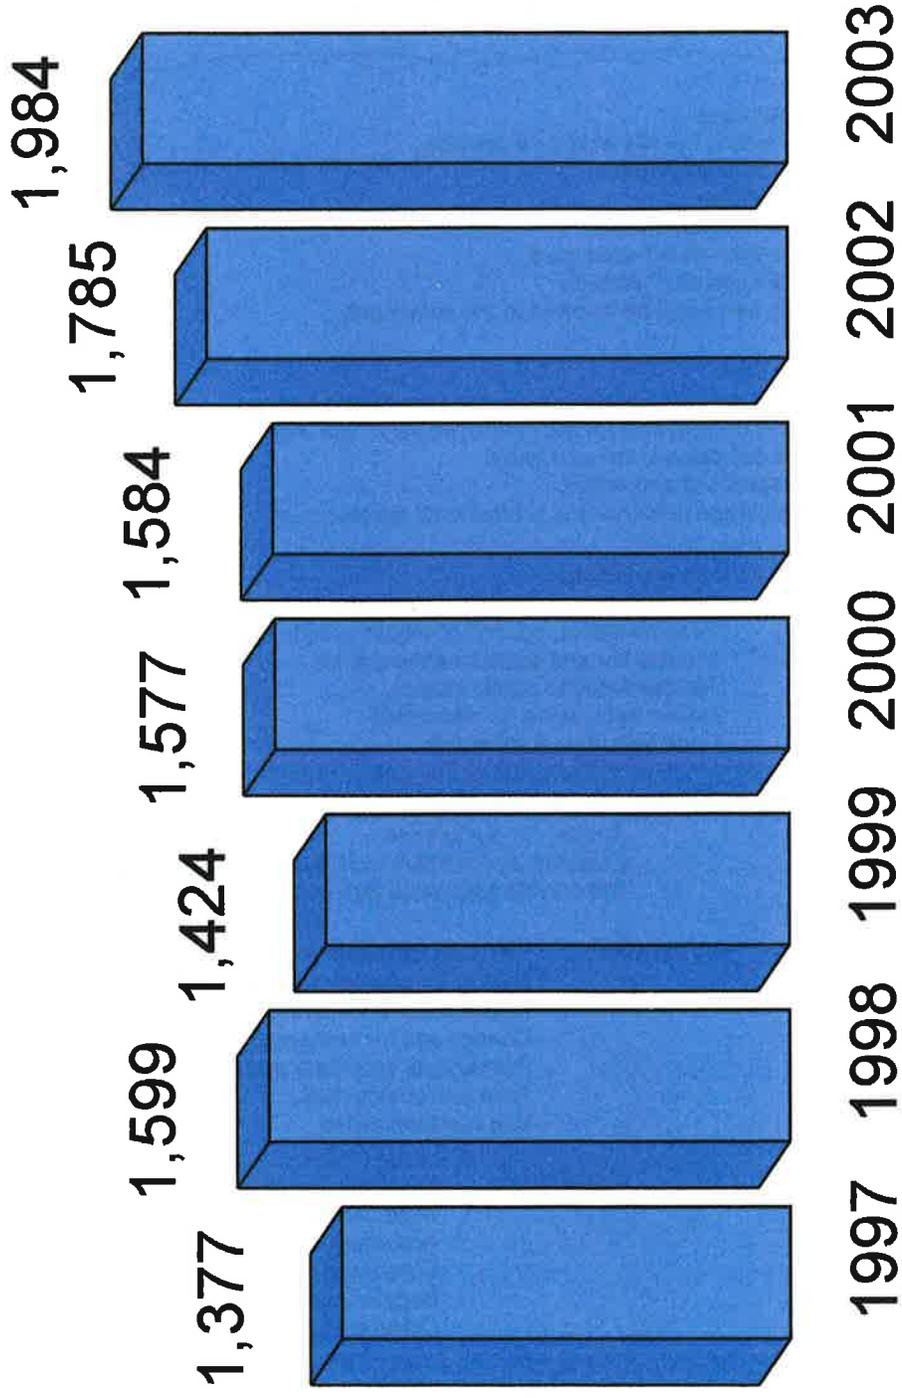

Responsibility: We are Accountable
Answer for our actions
Establish and achieve work performance standards
Provide the best value with available resources

Innovation: We Look for Better Ways
Search for creative solutions
Evaluate current operations and systems
Change and try new approaches
Plan ahead, anticipate problems and issues
Take reasonable risks
Use common sense

Teamwork: We Work Together
Build partnerships
Accomplish goals
Encourage involvement for best results
Support mutual goals
Celebrate successes and overcome our setbacks

Crews conducted a tour of the station and safety talk for a group of Boy Scouts on 1/19/03. Crews also hosted a tour and gave a safety talk to two troops of scouts on 1/29/03. The scouts received a tour of the station and received instruction on camp fire safety, stop drop and roll and identifying home hazards.

The inspection program has been initiated. Inspectors received inspection assignments for the first quarter and began inspections during the first week in January. The Ohio Fire Code allows inspection of business and commercial structures. Field training was initiated with each inspector receiving instruction on their first inspections with Captain Prass as the lead inspector. Crews are doing well coordinating inspections into their daily activities. Kids R Kids daycare facility received their annual inspection on 1/2/03. A Foster Home inspection was conducted on 1/9/03 on Rustic Brook Ct.

Plans have been reviewed for the new Leather Gallery warehouse and showroom on South Tech Blvd. Sprinkler plans have been reviewed for Wilson Marketing on South Tech Blvd.

February

On 2-12-03 cub scouts from two local packs toured the fire station and received a safety talk. Approximately 30 scouts and their parents were in attendance. On 2-26-03, firefighters and paramedics gave demonstrations and talks on their careers at the annual Career Day at the Springboro Jr. High School.

Fire inspections are being completed and all inspections assigned in January are due at the end of March. Inspections have been welcomed by most business owners and have presented a great opportunity to inform owners and occupants of fire safety improvements.

Inspectors received additional training on specific code issues involving exits and Knox Key Box requirements. In addition, the YMCA Daycare Center at the Clearcreek Elementary School received their annual fire inspection on 2-3-03. A foster care inspection was completed for a resident on Larchway Drive.

Plans review in the month of February included the new Support Air Inc. facility on West Tech Blvd. and the Springboro Office Park additions on North Main Street. Plat plans have been reviewed for the Lamb Subdivision and Emerald Point section four.

March

On March 1, 2003, fire and EMS crews attended a fire prevention boot at the Annual Clearcreek Elementary Indoor Carnival. On March 15, the Clearcreek Fire District occupied a booth at the Springboro Business Expo held at the Springboro High School. Sparky was in attendance as fire prevention information and a home fire safety kit was given away in a random drawing. Many families visited the booth and asked many questions concerning home safety. On March 24, 2003, FF/PM Tony Marinelli did a great job as he conducted a first aid class for the Webeles Scouts at station 21. The Webeles needed the class to obtain a badge. On March 25, fire and EMS crews assisted Captain Prass at the Springboro High School to assess the effectiveness of their tornado plan. On March 29, Engine 22 and the crew attended a birthday party on Sweeny Ct.

Fire inspectors were again busy this month. Inspection assignments have been evaluated for the first quarter of 2003 and results are as follows:

Inspections assigned: 142

Inspections Completed: 81

Inspections forwarded for completion during 3rdQuarter: 61

Preliminary Plans have been received and reviewed for a new Wendy's and Tim Horton's restaurant at the south east corner of Remick Blvd. and N. Main St.

April

Fire and EMS crews were busy during the month April, educating adults and children about fire safety and their fire department. On April 3, a local Cub Scout troop visited station 21 for a tour and a safety talk. On April 5, crews attended a Healthy Kids Day at the Coffman YMCA. Crews also attended a Fun Fair at Ridgeville Christian School on April 5th. At both events, children were given fire safety information and the crews answered questions about the fire department. A fire peddle car was given away on April 5th. The car was donated by a local family and was used to develop interest in the fire department at several events during March and April 2003.

On April 10, Captain Prass and the engine crew visited the Minds in Motion Preschool and gave a talk on the fire department and being a fire fighter.

Fire inspections continue in April. Inspectors have received their second quarter assignments. Inspectors are working hard to educate and assist business owners in the prevention of fires.

Plans were reviewed for an addition to an office at 345 N. main St.

May

Crews conducted 2 public education activities in the month of May. On 5/5/03 and 5/6/03 approximately 150 children from Springboro Preschool Discovery visited the fire station. They received instruction on what to do in case of a fire, stop drop and roll, candle safety, bike helmet safety and fire gear familiarization. Sparky the Fire Dog was also in attendance.

Inspectors continue their fire inspections as assigned in April. Inspectors are gaining valuable experience and knowledge as they work with business owners in preventing damage to life and property.

The Warren County Career Centers Crisis plan is being reviewed by Chief Becker and Captain Prass. Improvements of the current plan are pending. Preliminary plans were reviewed for the new Huntington Bank on N. Main St. and the Victory Wholesale Expansion on Victory Drive.

June

On 6/7/03 Fire and EMS crews attended a neighborhood block party at the end of Beckley Farm Way. Block Parties are a great way to promote the Fire District and gives citizens the opportunity to see the fire equipment and meet personnel in a non emergency situation. On 6-14-03 crews attended a block party at the end of Greenhill Ct. On 6-28-03 crews participated in the Children's Safety Day held at the Warren County FOP.

Fire inspectors were again busy this month. Inspection assignments have been evaluated for the second quarter of 2003 and results are as follows:

Inspections assigned: 160

Inspections Completed: 116

Inspections forwarded for completion during 3rd Quarter: 44

In addition to the above inspections, Minds in Motion Daycare received their annual inspection on 6/10/03. A Foster home inspection was also completed for a resident on Mc Daniels Lane on 6/10/03. The Day academy received their annual inspection on 6-27-03.

Conceptual plans were received and reviewed for the new Swope residential development.

July

Crews conducted a number of public education activities this month. On 7-4-03 a fire engine participated in a bike parade at Narin Ct. in Heatherwoode. The crews visited with the children and neighbors after the event. On 7-24-03, station 21 hosted a station tour for special need children. The children enjoyed seeing the fire station, fire engine and fire fighters. On 7-25 and 7-26-03, crews provided medical and moral support to participants of the Relay for Life Walk held at the Springboro High School football field.

Fire inspectors were busy in July. The inspectors are working hard with their third quarter assignments. In addition, on 7-2-03 a foster home inspection was completed on Sweeny Ct. On 7-11-03, Springboro Preschool Discovery received their annual inspection. On 7-22-03, a foster home inspection was conducted on Lemonwood Ct. On 7-23, a foster home inspection was completed on Brighton Ct.

On 7-14-03, the tornado plan was reviewed for the employees at the Dorothy Lane Market on N. Main. On 7-28, the fire and tornado plan for Associated Builders on Greenwood Ln. was reviewed.

August

Fire and EMS crews were busy this month promoting the fire district and educating young and old about fire safety. On 8-1-03, crews demonstrated how firefighters and paramedics serve the community at the Coffman YMCA's Community Helpers Day. On 8-2-03, crews attended a block party on Applecreek Lane. On 8-9-03, crews visited a block party on Village Drive. On 8-16-03, crews attended a carnival at the Goddard School. On 8-17-03 crews visited with residents at an ice cream social on Glen Eagle Court. On 8-21-03, crews assisted with training for teachers on Epi-Pen administration and the Heimlich Maneuver at the Clearcreek Elementary School. On 8-23-03, crews visited a block party on Deer Trail Drive. On 8-24-03, crews attended an open house at the Hand 2 Hand Gymnastic Center.

On 8-31-03 crews attended a block party on Terrace Creek Court.

Fire Inspections continued inspections and re-inspections this month. In addition, Country Hills Montessori School at the Hillspring Health Care facility received their annual fire inspection on 8-7-03. On 8-25-03, a foster home inspection was completed for a resident on West Pugh.

Review of the Warren County Career Center Crisis and Tornado shelter plans continue and should be completed shortly. The following plans were reviewed: Encore Café, Kemper Design, Babbling Brook Section One and Section Two.

September

Fire and EMS crews were busy again this month promoting the fire district and the mission of public education. On 9-6-03, crews visited a block party on Crown Point Meadows. Crews attended an ice cream social for the citizens at the park area near Reed Rd. in Brookside. On 9-15-03 crews gave a safety talk and tour of Station 21. On 9-20, crews attended the Kids Day America event held at the Clearcreek Elementary School and a block party at the cul-de-sac at Logan Wood and Old Wood. On 9-24-03, the fire district tended the annual bon fire for the annual Springboro High School homecoming event. On 9-25-03 and 9-30-03, crews gave a station tour and safety talk at station 21.

Inspections for the 3rd quarter of 2003 were due on 9-30-03. Inspectors were busy with many non-inspection related activities during the third quarter.

Inspections assigned: 77

Inspections Completed: 50

Inspections forwarded for completion during 3rd Quarter: 27

Plans reviewed during the month of September were: Tanglewood Creek Development, American Circuit Technology expansion at 285 S. Pioneer Blvd, The Fairways of Heatherwood Development, White Oak Estates Development, and Key Bank.

October

October 2003 was National Fire Prevention Month. The National Fire Protection Association's message "Get Out, Stay Out" was taught to the First Grade and Kindergarten students in the Springboro Community School District and Ridgeville Christian Schools during the first two weeks in October. District personnel also delivered the message to numerous preschools in the Clearcreek Fire District's response area.

Station 21 was the location of numerous tours during October as well. In addition, on 10-5-03 fire crews visited children at the Springboro United Methodist Church. On 10-11-03 a fire engine and crew attended a birthday party at 40 Milliard Ct. On 10-18-03 Fire and Medic crews attended the fall carnival at the Springboro Point Shopping Complex. An article was written by Captain Prass and published in local news papers. The article covered topics related to smoke alarm usage and maintenance. Banners were hung on both fire stations from 10-15 to 10-29. The station banners reminded citizens to change their smoke detector batteries when they change their clocks for daylight savings.

Fire inspectors began there 4th quarter inspections at the beginning of the month. With the completion of the 4th quarter assignments, fire inspectors will reach the goal of 1/2 of all commercial occupancies in our response area. There are over 500 businesses in operation at present and this number is increasing monthly. Progress continues in the effort to computerize the inspection program. The Occupancy module of the Fire Record Management System will be used for this process.

Plans reviewed this month included:

Wonderful Life Development
IGA
Farms at Heatherwoode
Springs Boulevard
The springs

November

On 11/13/03, crews at station 21 gave a tour of the station and equipment and gave a safety talk.

Fire inspectors continue to complete inspections assigned for the fourth quarter. An adoption inspection was completed for on Deerfield Trail on 11/5/03. The Warren County Career Center Daycare received their annual inspection on 11/6/03. Large tents and food vendors were inspected on Main Street fro the annual Christmas in Springboro event on 11/21/03.

No new plans were reviewed during the month of November 2003.

December

There were no public education events in December 2003.

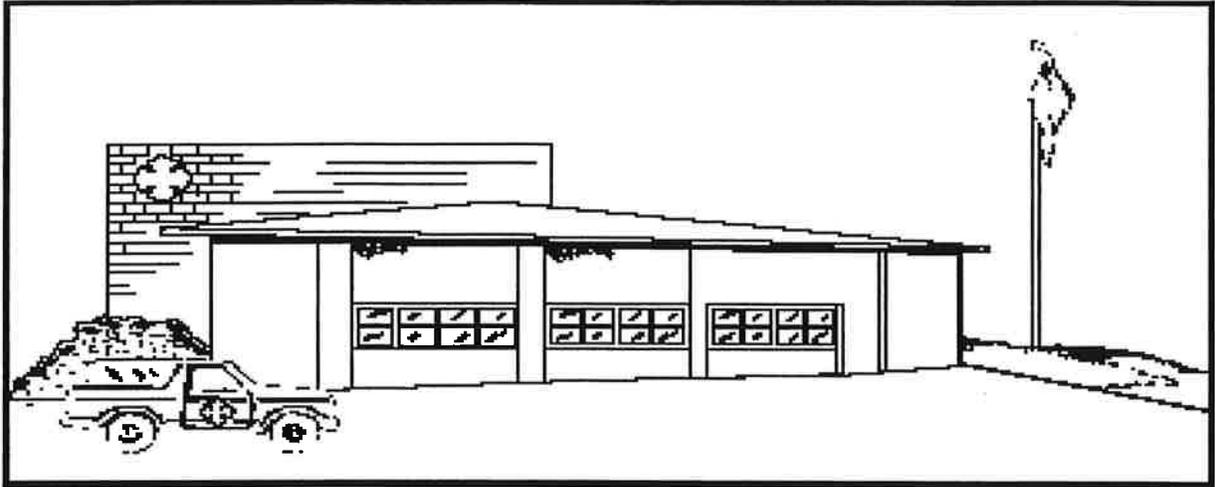

Fire Inspectors completed 2003 on a positive note. Over 300 inspections were completed in the first year of the fire inspection program. Feedback from the fire inspectors and from business owners and occupants in the community has been very positive. Captain Prass is very proud of the Clearcreek Fire District's Fire Safety Inspector's accomplishments in 2003.

Plans reviews in December 2003 include:

Site Plan for Champion's Restaurant on Edgebrook Dr.

Site Plan for Law Office on N. Main St.

Site Plan for an expansion of 35 Commercial Way

NON-EMERGENCY ACTIVITIES – 2003

January

The Rural Address Locator Sign Program continued with 3 signs being installed during January, 2003.

The Fire District began the work of equipping the two new E-One / Freightliner Fire Engines. Preparations are presently being made on an operational training program for Fire District personnel on the new fire engines.

The Fire District completed equipping the new Horton / Freightliner Medic Unit. The District is presently in the process of training Fire District Personnel on the operation of the new vehicle. The unit recently had to return to the factory for some minor adjustments / corrections which has delayed completion of drivers training for some personnel. The District hopes to place the new Medic unit in service sometime during mid February 2003.

The Fire District completed licensing requirements with the State of Ohio Board of Pharmacy for Fire Stations #22 and #23.

A number of our Paramedics began a Paramedic refresher training class hosted by the Clearcreek Fire District. This 48 hour training course began on 1/22/03 and is meeting for 8 hours per day on Wednesdays and Fridays through 2/12/03.

This course covers the bulk of required training content for Paramedic continuing education / re-certification requirements. The Paramedics completing this class will also achieve Advanced Cardiac Life Support (ACLS), Certification, Pediatric Advanced Life Support (PALS), Certification, and Basic Trauma Life Support (BTLS), Certification.

February

The Rural Address Locator Sign Program continued with 1 sign being installed during February, 2003.

The Fire District placed in service the new Horton / Freightliner Medic #21 Unit on 2/14/03.

A number of our Paramedics completed a Paramedic refresher training class hosted by the Clearcreek Fire District. This 56 hour training course began on 1/22/03 and is meeting for 8 hours per day on Wednesdays and Fridays through 2/12/03. This course covered the bulk of required training content for Paramedic continuing education / re-certification requirements. The Paramedics completing this class will also achieve Advanced Cardiac Life Support (ACLS), Certification, Pediatric Advanced Life Support (PALS), Certification, and Basic Trauma Life Support (BTLS), Certification.

Fire District EMS Personnel worked on preparing for the annual GMVEMSC protocol training and testing exercise.

Work continued on the Warren County Communications Center new CAD / Fire Records Management Software (FRMS) System deployment. Many hours were spent on scenario testing of the new system. The new CAD went live on 2/25/03 at 13:00 hrs. Clearcreek Fire District like all other Fire Department throughout Warren County is now adjusting to the new system, trouble shooting and correcting issues. This will be an ongoing and time consuming process

On 2/20/03 the Fire District hired Anthony LeMaster to fill a vacant Career /Firefighter Paramedic position.

March

The Rural Address Locator Sign Program continued with 12 signs being installed during March, 2003.

The Fire District handled 31 open burn requests during March 2003.

The Fire District completed total carpet replacement in the Fire Administration and Office areas of Station 21. This was a big project in that the modular office furniture had to be disassembled and then reassembled in each office.

Bureau Chief Simpson attended a Health Insurance Portability and Accountability Act (HIPPA) Compliance Training seminar at Sinclair Community College sponsored by the Miami Valley Fire and EMS Alliance. The seminar was presented by Timothy M. Grimes Esq. and Jeffery A. Mullins Esq. of Coolidge, Wall, Womsley, & Lombard Co., LPA.

Bureau Chief Simpson attended an Aether Fire Records Management Software follow-up class at Warren County Communications on 3/25/03.

The Fire District completed the Annual Department of Public Safety Division of EMS Grant Program Application process.

April

The Rural Address Locator Sign Program continued with 1 sign being installed during April, 2003.

The Fire District handled 58 requests for controlled burns during April 2003.

The Fire District completed the Annual Assistance to Firefighters Grant Application process.

The Fire District completed annual pump testing on Engine #21, Engine #24, and Ladder #21.

Chief of Department Becker, Assistant Chief Royer, Bureau Chief Simpson, Captain Prass and Captain Lemming attended portions of the annual Fire Department Instructors Conference (FDIC) Exhibits in Indianapolis on 4/3, 4/4, and 4/5.

May

The Rural Address Locator Sign Program continued with 3 signs being installed during May, 2003.

The Fire District handled 29 open burn requests during May 2003.

Resumes for Career Firefighter / Paramedics services position were due on 5/9/03. A total of 13 resumes were received and reviewed. The written test for the qualified applicants was conducted on 6/9/03.

Resumes for the part-time Administrative Assistant position were due on 5/9/03. A total of 22 resumes were received and reviewed. The initial candidate interviews are scheduled for Friday 6/13/03.

Bureau Chief Simpson attended an Implementing Windows 2000 Professional and Server Computer Operating Systems Class 5/5/03 through 5/9/03.

Chief of Department Becker and Bureau Chief Simpson attended a HIPAA & Ohio Public Records Act Seminar on 5/21/03.

The Fire District participated in the annual City of Springboro Memorial Day parade and activities on 5/26/03.

June

The Rural Address Locator Sign Program continued with 1 sign being installed during June, 2003.

The Fire District completed the annual fire hose testing process.

A Physical Agility Test for the Career Firefighter / Paramedic selection process was held for the qualified applicants was conducted on 6/21/03.

Initial candidate interviews for the part-time Administrative Assistant position were conducted on Friday 6/13/03. The selection process is presently on hold pending further evaluation.

Chief of Department Bernie Becker attended a week long class at the National Fire Academy in Emmitsburg, Maryland entitled Command and Control of Target Hazards from 6/2/03 through 6/6/03.

Bureau Chief Simpson attended a Pre-Grant Award Meeting for the Ohio Department of Public Safety Division of EMS Grant Award program on 6/20/03.

July

The Rural Address Locator Sign Program continued with 1 sign being installed during July, 2003.

The Career Firefighter / Paramedic selection process continued with first round interviews being held on 7/1/03. An Assessment Center Test was conducted on 7/30/03 for the qualified candidates.

Assistant Chief Royer attended a two week long class at the National Fire Academy in Emmitsburg, Maryland entitled Command and Control of Multi-company Operations from 7/7/03 through 7/19/03.

Chief of Department Becker attended the annual Ohio Fire Chief's Conference in Columbus Ohio on 7/20/03 and 7/21/03.

August

The Career Firefighter / Paramedic selection process continued with third round interviews being held on 8/27/03. This selection process will be concluding soon.

The Career Lieutenant Selection process began with applications being received until 8/11/03. A written examination was administered to the qualified applicants on 8/28/03.

Applications for the part-time Administrative Assistant position were received until 8/22/03.

The Fire District Command staff met with representatives from and visited / toured the following target hazard facilities located on State Route 122 during August 2003; Marathon / Ashland, TEPPCO, Dominion, and Duke Energy.

The Fire District was awarded a total \$ 11,756.00 from the Ohio Department of Public Safety Division of EMS Annual Grant award program. Of this money \$ 5,387.00 will fund training related equipment with remaining \$6,369.00 funding patient care equipment.

September

The Rural Address Locator Sign Program continued with 1 sign being installed during September, 2003.

The Career Lieutenant Selection process continued with initial interviews being conducted on 9/10/03. An assessment center test was conducted for qualified applicants on 9/20/03.

Initial interviews for the part-time Administrative Assistant position were conducted on 9/23/03.

The Fire District completed design specification for the Station #23 telephone system. The hardware was recently installed.

The Fire District participated in several meetings with the Warren County Telecommunications Department to design and specify a microwave connectivity link for Station #23 and possible future connectivity for all stations.

Work continued on developing and reconfiguring the Fire District's Box Alarm Zone Maps into a 3 Station response model. This new system relies heavily on use of Global Information System (GIS) data and Arc-view Software. Bureau Chief Simpson with the assistance of Clearcreek Township Director of Planning Zoning Jeff Palmer and the Warren County GIS Department has been working on this project since early July.

October

The Rural Address Locator Sign Program continued with 6 signs being installed during October, 2003.

An open house was held at Station 22 on October 5. Over 100 people toured their new station and enjoyed lunch, talked with firefighters and visited with Sparky the Fire Dog.

The Clearcreek Fire District was active with the Lion's Club passing out candy on Beggar's Night, October 31.

The Community Blood Bank was held on October 23 at the Clearcreek Fire District. We had an overwhelming amount of donors.

The Clearcreek Fire District participated in the Township wide Alpha Pager switch out on October 31.

The Clearcreek Fire District Fire Prevention Program implemented the Red Tag Program on October 1. This program tags defective equipment and helps to identify similar defective items for the fire investigators

October was Fire Prevention Month and the Fire District participated in numerous talks and tours with the area schools.

November

The Rural Address Locator Sign Program continued with 1 sign being installed during November, 2003.

The Career Lieutenant Selection process concluded with the promotion of Steve Agenbroad and Nathan Urban to Career Lieutenants, and the hiring of Kent Clary as a Career Lieutenant on November 14, 2003.

The Fire District opened Fire Station #23 on 11/22/03.

Work was completed on developing and reconfiguring the Fire District's Box Alarm Zone Maps into a 3 Station response model for the Warren County Communications Center CAD System. This new system relies heavily on use of Global Information System (GIS) data and Arc-view Software. Bureau Chief Simpson with the assistance of Clearcreek Township Director of Planning Zoning Jeff Palmer and the Warren County GIS Department worked on this project since early July.

Work was completed on reconfiguring the Warren County Communications Center CAD System Response Tables to include 74 response zones for the Clearcreek Fire District in preparation for a switch over to unit dispatching later this year.

Chief of Department Becker, Assistant Chief Royer, and Bureau Chief Simpson attended the OLS Responder Officer Leadership Symposium in Fort Mitchell Kentucky on 11/8/03 and 11/9/03. This program included well know speakers in the topics of Fire Operations, Fire Department Management, Leadership Development, Incident Command, Terrorism Preparedness, Chemical and Biological Weapons Response, and Joint Operational Command.

December

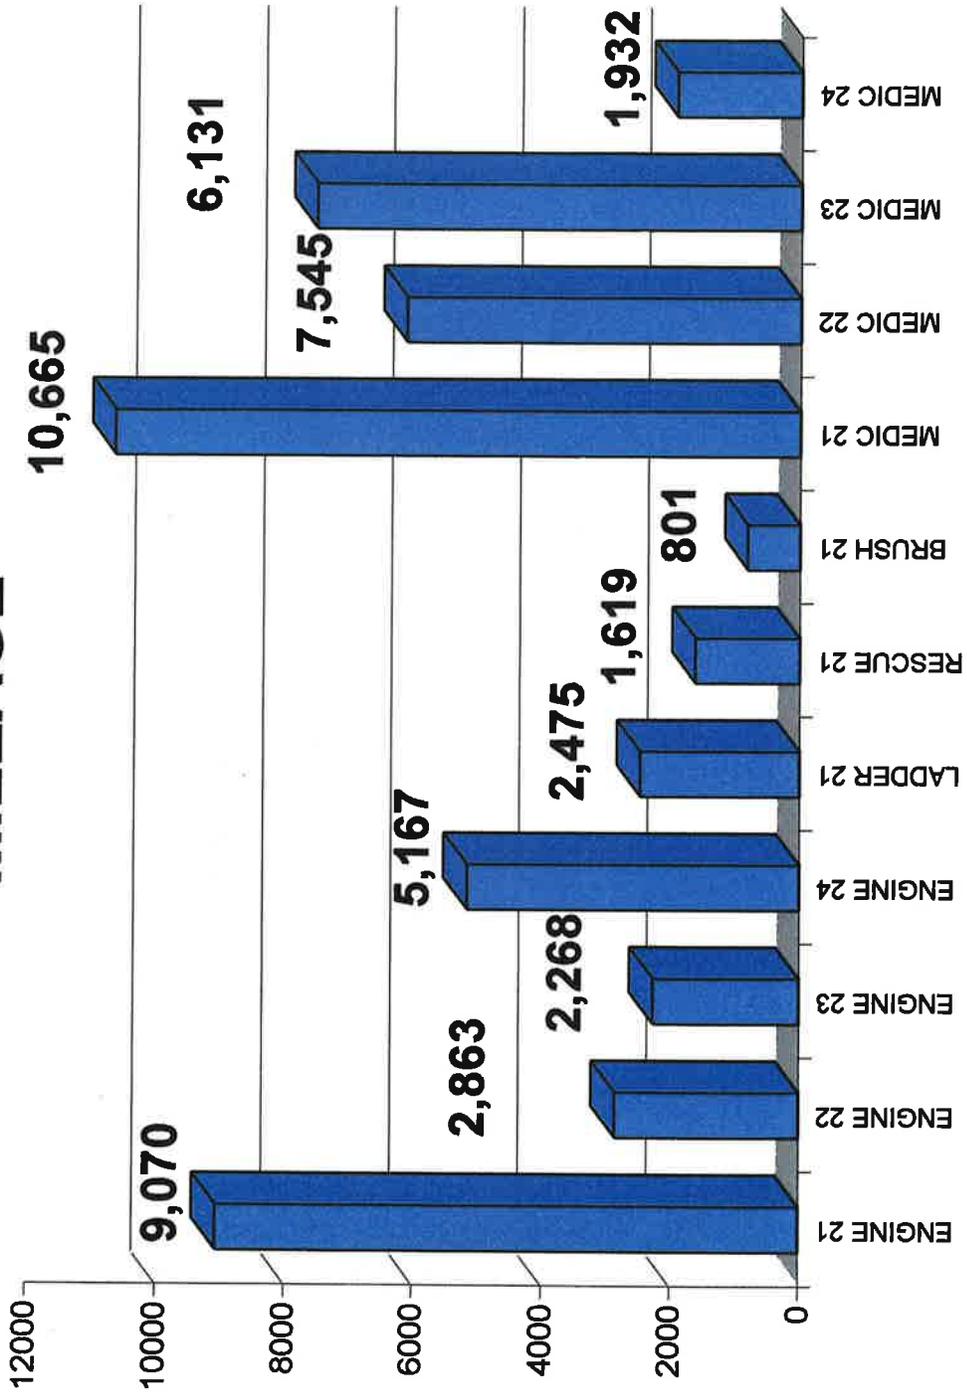

The Fire District said good bye to Career FF/PM Tim Haggard who was deployed with the Ohio National Guard 1487th Transportation Company in support of Operation Iraqi Freedom. It is anticipated that FF/PM Haggard will be on active military duty deployed to the Middle East for a minimum of 1 year.

The Fire District switched / transitioned to unit dispatching on 12/16/03. After making some initial adjustments the new system is working well. The Fire District will continue ongoing evaluation and adjustment of the system to maximize efficiency.

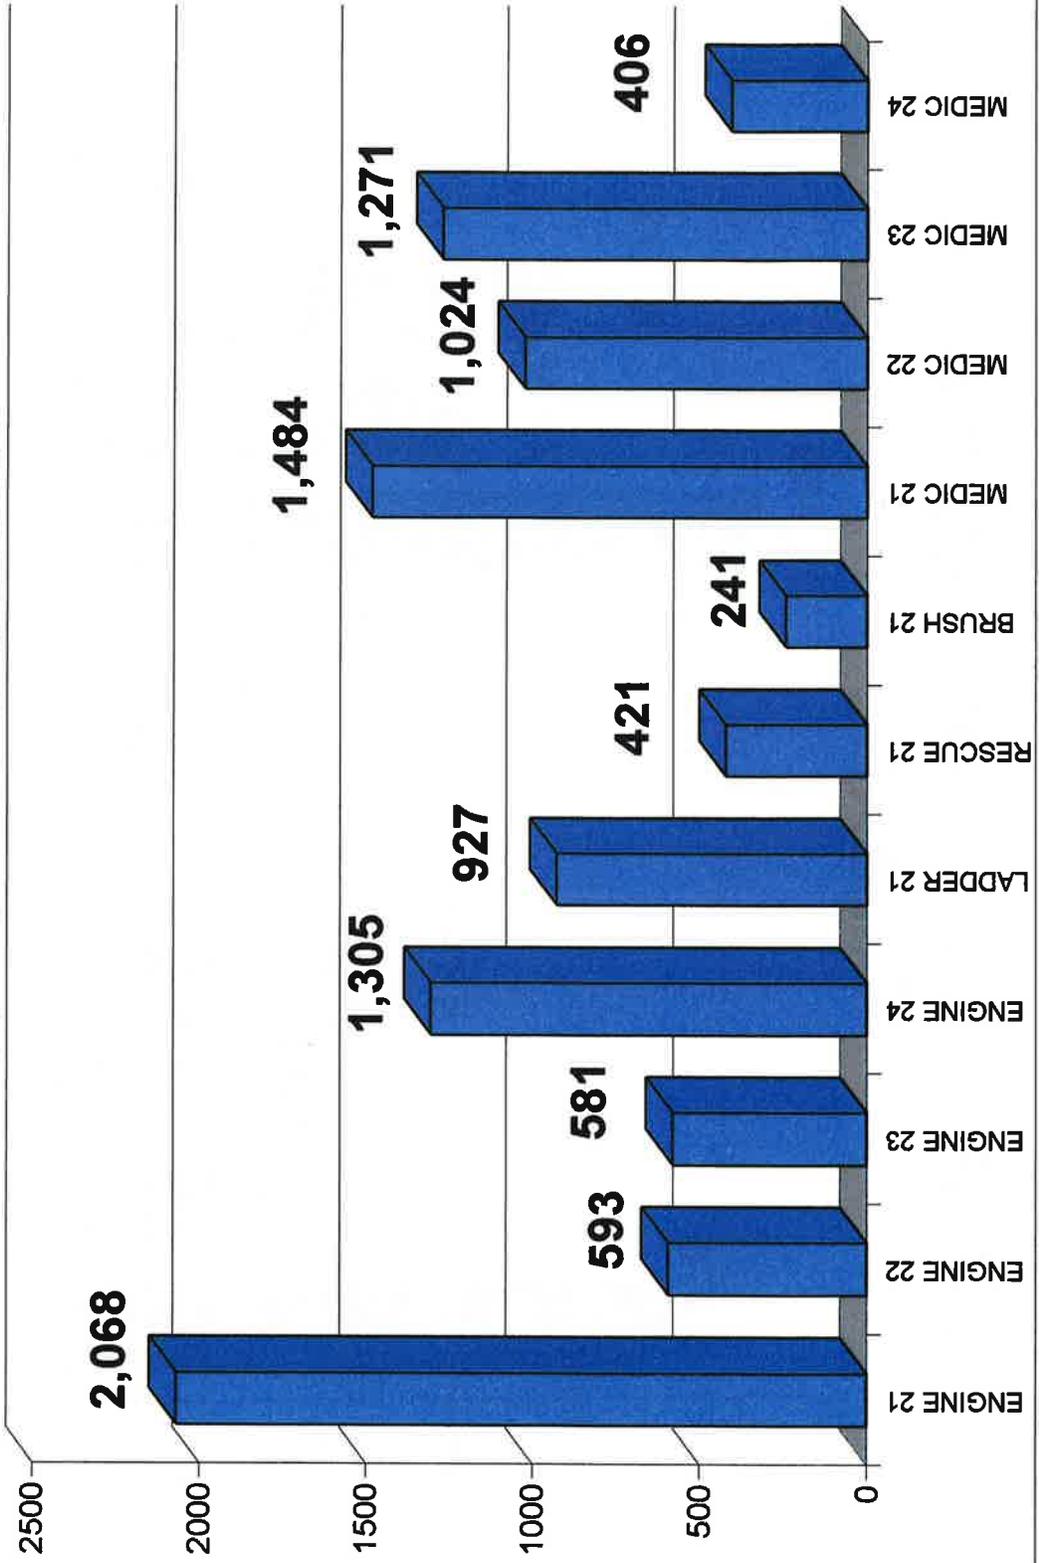

The Fire District met with representatives from Health Serve concerning the implementation of the recently approved MVA cost recovery program.

Administrative Clerk Dean attended several computer software training classes including Word, Excel, and Outlook at the New Horizons computer training center.

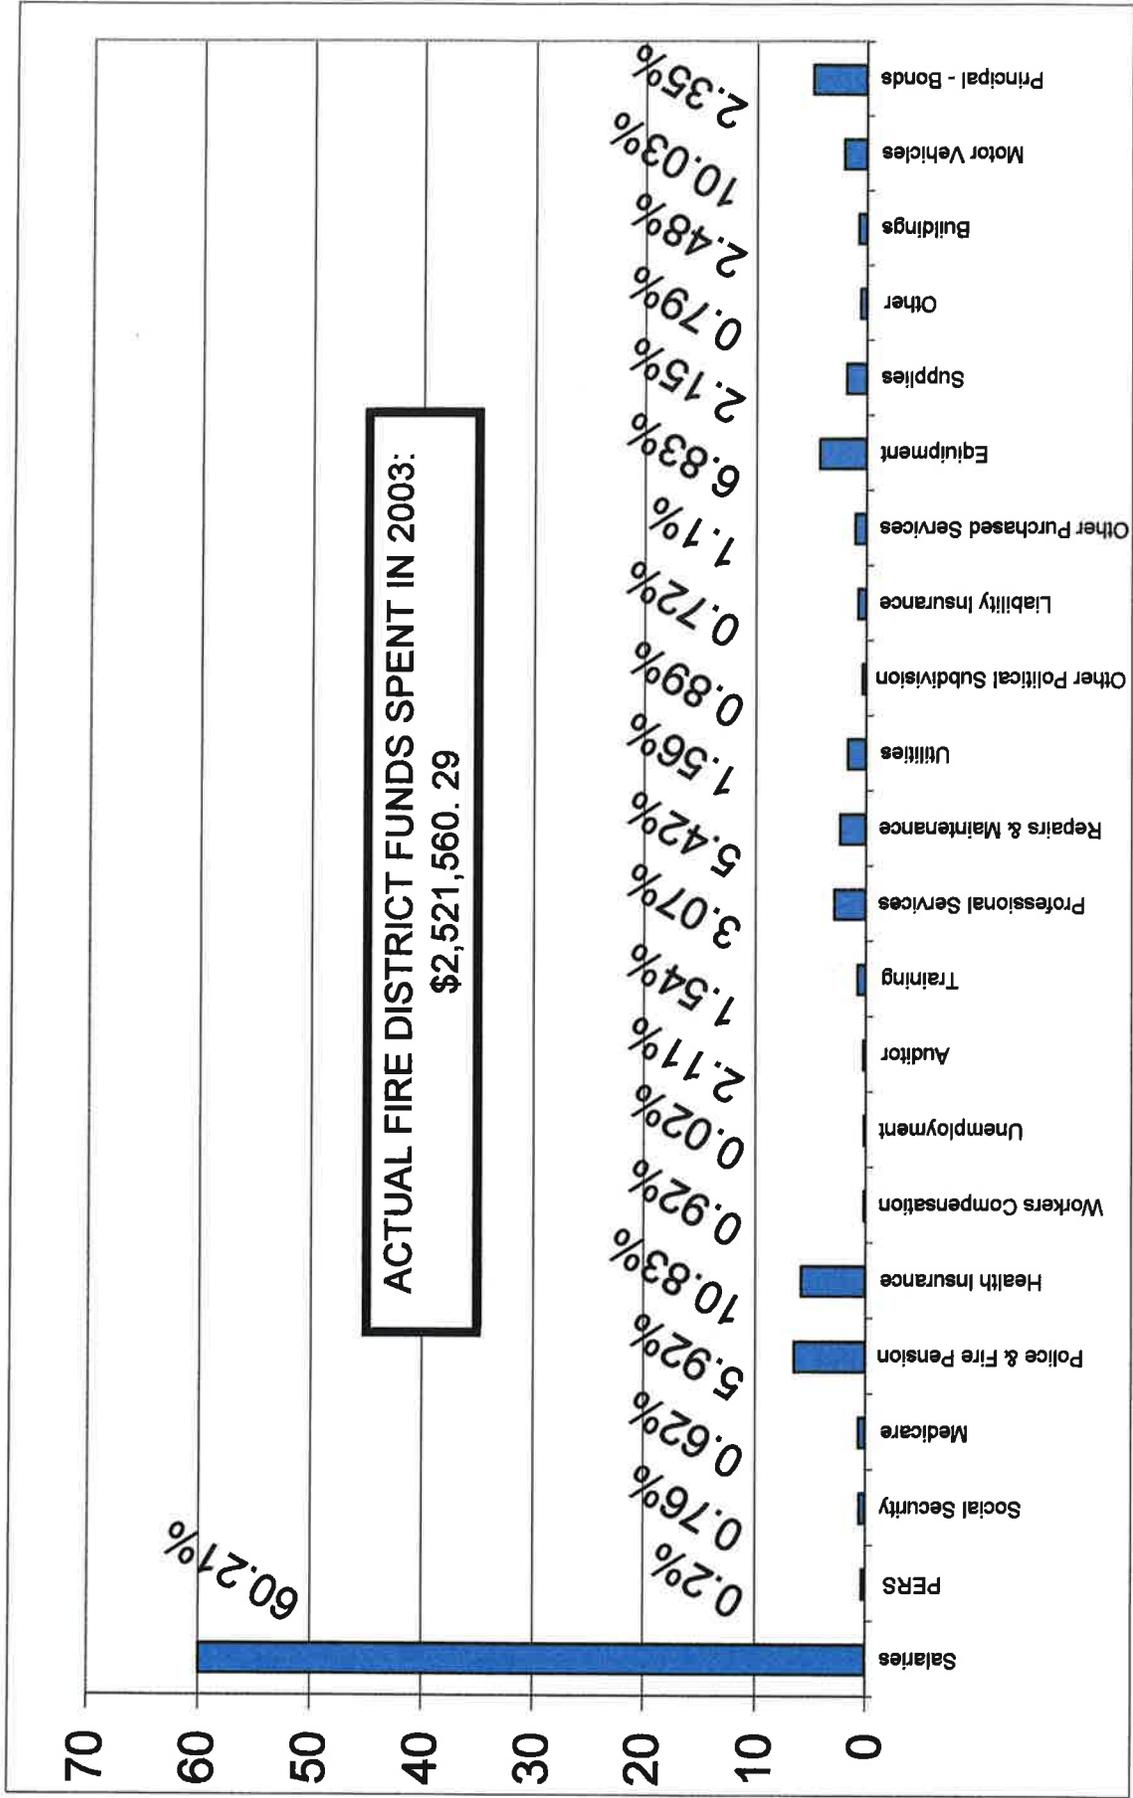

2003 FIRE / EMS TOTAL APPARATUS MILEAGE

2003 FIRE / EMS APPARATUS FUEL USAGE IN GALLONS

Clearcreek Fire District FY 2003 Operational Budget

Clearcreek Fire District

Fire Protection and Paramedic Service

2004 GOALS

The Clearcreek Fire District will be very busy in 2004. The following are goals to be accomplished:

- Develop our plan for employing additional on-duty personnel;
- Update our Clearcreek Fire District General Operating Guidelines;
- Update computer technology;
- Hire three additional career Firefighter / Paramedics;
- Develop and implement a NFPA 1500 Safety and Compliance Program;
- Develop and implement a Fire Training "standing orders" program.

In Closing...

I would like to take this opportunity to thank every employee of the Clearcreek Fire District. You are the reason why we are so good -- and continue to do so well. In addition, I would like to thank the elected and appointed leadership of Clearcreek Township as well as the citizens and visitors of Springboro and Clearcreek Township.

Through your continued support, we will continue to provide the highest quality Fire and EMS services for you and your family.
