05-27-300-014 , 5-3-27 5 Acres

Property fronts on the following road(s):

State Route 48

The legal title to said property recorded in the name(s) of:

Five Point Investors LLC

Tax mailing address of individual(s) with whom the legal title to said property is recorded:

Five Point Investors LLC - 9118 Dayton Lebanon Pike, Centerville, OH 45458

The property is presently zoned:

B-1 PUD

Reason(s) for the application:

Please see attached Narrative

To aid the Zoning Commission processing of the request, please submit the following documentation outlined in Clearcreek Township Zoning Resolution Chapter 13, Section 13.05:

SEC. 13.05 PUD Approval Process: Any owner(s), their agent(s), or developer(s) who seeks approval for a PUD shall file an application the Clearcreek Township Zoning Commission. All applications shall be subject to a comprehensive review process consisting of three stages: Stage 1: The Zone Change Amendment Request/PUD Concept Plan Application, Stage 2: The PUD Preliminary Site Plan Application, and Stage 3: The PUD Final Site Plan submittal.

SEC. 13.05(B) Stage 2: The PUD Preliminary Site Plan Application

The second stage of the PUD process shall not commence until Stage 1 approval has been obtained. Upon completion, successful applicants shall receive approval of a PUD Preliminary Site Plan (identifying: the road network, minimum building lot sizes, setbacks, open space, parking, lighting, buffers, and signage), approved site impact conditions involving adjoining properties and road right-of-way(s), and the Stage 2 approval required to begin Stage 3. The Stage 2 process steps, PUD objectives, and conditions for approval outlined below are required to be completed and satisfied in order for Stage 2 approval consideration.

SEC. 13.05(B)(1) Stage 2: Process Steps: The PUD Preliminary Site Plan Submittal

- (1) Applications for the Stage 2: PUD Preliminary Site Plan shall be submitted, signed by the owner(s) of the PUD or the designated agent, to the Clearcreek Township Zoning Inspector, attesting to the truth and correctness of all facts and information presented with the application on or before the scheduled monthly Zoning Commission meeting deadline, as identified on the Zoning Commission schedule found on the Clearcreek Township website (www.clearcreektownship.com).
- (2) All applications shall be submitted with the required fees as established in the Clearcreek Township fee schedule found on the Clearcreek Township website (www.clearcreektownship.com).
- (3) The application shall be accompanied with all amended forms, maps, drawings, and additional information included or as required by the Clearcreek Township Board of Trustees Resolution for Stage 1.
- (4) The Stage 2: PUD Preliminary Site Plan shall include the following items:
 - a) An area map showing applicant's entire holding, the portion of applicant's property under consideration and all properties, subdivisions, streets, and easements within 200 feet of applicant's property.
 - b) A topographic map showing final elevations with intervals of not more than 2 feet of elevation.
 - c) A professionally prepared PUD Preliminary Site Plan including the following information:
 - 1) Title of drawing including name and address of applicant.
 - 2) North point, scale, and date.

RECEIVED

AUG 17 2020

CLEARCREEK TOWNSHIP
ZONING DEPT.

- 3) Boundaries of the property plotted to scale.
- 4) Existing water courses.
- 5) A PUD Preliminary Site Plan showing:
 - i. Location of all proposed use(s), including building types, heights, materials, and architectural designs.
 - ii. Location of all impervious surfaces for non-residential building areas, parking and truck loading areas, as well as all ingress and egress drives.
 - iii. Location and proposed development of all open spaces/recreation areas.
 - iv. Location and proposed development of all amenities, maximum square footage of impervious surfaces identified.
 - v. Location of non-residential outdoor storage.
 - vi. A grading plan.
 - vii. Location of existing or proposed site improvements including: drains, culverts, retaining walls, and fences.
 - viii. Location of existing trees or landscape buffers.
 - ix. Location of proposed trees or landscape buffers.
 - x. Description of sewage disposal and location of such facilities.
 - xi. Location and size of all signs.
 - xii. Location and design of street and parking lighting.
- d) A drawing showing all soil types and their classifications.
- e) A drawing showing aircraft patterns and seasonal wind directions. Areas of possible noise and odor pollution on or off site shall be indicated.

SEC. 13.05(B)(2) Stage 2: PUD Objectives

- (a) The Stage 2: PUD Preliminary Site Plan objective is to refine the Stage 1: Concept Plan into a detailed Site Plan. Therefore, the following information shall be specified/clarified in the narrative and on the drawing(s) at the time of approval:
 - (1) The list of uses permitted within the PUD are defined.
 - (2) The exact locations, types, heights, materials, and designs of such uses are identified.
 - (3) All use-specific standards that apply to the permitted uses are specified and identified in a table which includes: the average, highest, and lowest quantities and a count of each occurrence.
 - (4) The maximum density or intensity permitted within the PUD is identified.
 - (5) The amount and exact location of open space/recreation areas are defined.

- (6) The layout of all new street(s), major access drive(s), sidewalks, trails, and any other methods of circulation required or necessary throughout the PUD are identified.
- (7) All impervious surfaces for non-residential building areas, parking, and truck loading areas with ingress and egress drives are identified.
- (8) The location(s) and a submitted timeline of all of the proposed development's amenities are included. **Note: Amenities part of a phase shall be constructed concurrently with that phase. If the PUD consists of multiple phases to be developed over time, no more than 25% of the total number of lots approved for the PUD as a whole shall be built on before planned amenities and buffers are constructed. This requirement may be modified as stated in SECTION 13.05 (B)2(b), below, depending on the distribution, number, and location of amenities in the PUD as a whole.*
- (9) The exact location and size of all signage are identified.
- (b) The Clearcreek Township Zoning Commission and/or the Board of Trustees shall have the authority to impose modified and/or special conditions related to the PUD and to approve development standards unique to the PUD as deemed necessary in order to promote the public health, safety, morals, and general welfare of Clearcreek Township.

SEC. 13.05(A)(3) Stage 2: Conditions for Approval

The following criteria shall be used in the recommendations and decisions made regarding the Stage 2: PUD Preliminary Site Plan. Failure to comply with any of these criteria shall require a PUD modification and shall therefore be subject to the criteria set forth in **SECTION 13.07, PUD Modifications.**

- (a) The PUD Preliminary Site Plan is in accordance with the Zoning Resolution as adopted by the Clearcreek Township Board of Trustees.
- (b) The PUD Preliminary Site Plan is consistent with the Clearcreek Township Master Land Use Plan.
- (c) The intensity proposed for the PUD Preliminary Site plan does not exceed the maximum density allowed for the PUD as a whole.
- (d) The use(s) proposed will not be detrimental to existing and potential future surrounding uses and will harmoniously relate to the surrounding area.
- (e) The internal streets and primary and secondary roads that are proposed shall properly interconnect with the surrounding existing primary and secondary road network as designated on the Warren County Official Thoroughfare Plan. A traffic impact study may be required by the Warren County Engineer's Office, at the applicant's expense. Also, the Clearcreek Township Zoning Commission and Board of Trustees shall coordinate cross access easements or stubbed streets to all adjacent parcels as needed to facilitate traffic flow between existing parcels and planned PUDs with the Warren County Engineer's Office.

- (f) The arrangement of vehicular access and circulation, including intersections, road widths, channelization structures, and traffic controls are adequately designed for the proposed uses and existing surrounding parcels.
- (g) The arrangement, location, appearance, and sufficiency of off-street loading are adequately designed.
- (h) The management of storm water, erosion control, and sanitary disposal facilities are adequately designed and avoid flood hazard areas.
- (i) The minimum common open space areas have been designated and designed in accordance with the provisions of this Resolution and shall be conveyed to a legally established homeowner's or property owner's association, commercial management group, or other agency as herein provided.
- (j) The comments and recommendations received from the Warren County departments, as well as representatives of federal and state agencies, shall be reviewed and adequately addressed.
- (k) Approval of the PUD Preliminary Site Plan may be conditional upon provisions that are necessary for the protection of public health, safety, morals, and general welfare. Thus, the Clearcreek Township Zoning Commission or Board of Trustees may require the submittal of a revised PUD Preliminary Site Plan if it is determined that modifications are required to comply with this Resolution.

Submitted drawing:

Two (2) sets of drawings shall be submitted on paper measuring 24" by 36" for staff review and for display during the public hearing.

One (1) set of architectural/construction drawings shall be submitted on paper measuring 11" by 17" for Warren County Regional Planning Commission, the staff file, Zoning Commission and Board of Trustee packets.

In the event that changes to the plans and/or drawings are requested by the Zoning Commission and/or the Board of Trustees during the public meetings, or if the applicant desires to modify the application submitted with this Stage 2 application, the applicant shall:

- 1. Provide all updated materials to staff no less than fourteen (14) days prior to the scheduled meeting date. Materials will be date stamped received by the Clearcreek Township Zoning Department. Materials received that don't meet the former timeline will be held for review and consideration until the next scheduled meeting.*
- 2. Provide a text narrative with a detailed list outlining what was modified and why each modification is necessary and/or desired.*
- 3. Provide plans and/or drawings only of the sections or areas that are impacted by the modification(s). For example: If sheet 5 of 13 was modified and there were no additional sheets impacted by the modification, only re-submit sheet 5 in conformance with the size and quantities outlined for the initial Stage 2 application submittal.*

4. *Provide color coded overlay drawing(s) depicting the initial Stage 2 application submittal (corresponds to date below) and the modified Stage 2 submittal. The former should illustrate the modifications graphically.*

The undersigned acknowledges reading the former application. The undersigned certifies that information herein along with all submitted documents are factual and correct.

COR 310, LLC Stage 2 PUD Narrative

COR 310, LLC is submitting a Stage 2 Preliminary Site Plan Review application for our self-storage project on the proposed parcel. This request is for 5 acres located at 9175 Route 48, Centerville, OH 45458 with a parcel ID of 05-27-300-014. As highlighted in the Land Use plan, this lot is planned for commercial development consistent and the self-storage use is consistent with similar uses to the immediate east and south of this parcel. This property will be developed as a Class A+ self-storage facility similar to COR 310, LLC's recent storage project in Beavercreek, Ohio for which visuals have been provided. The intention is to begin development of this project upon all necessary governmental approvals from Clearcreek Township and Warren County, and phasing of the property is likely to be in one or two phases that would be completed within two years of approval. All open space on the property will be maintained by COR 310, LLC.

COR 310, LLC believes this project is a great addition to Clearcreek Township for the following reasons:

1. Our initial study of the market shows that self-storage is greatly underserved currently and will be even more so based on future demand. Clearcreek Township's residential growth has produced pent up demand for storage that is not currently being met, and the site proposed appears to be excellently suited for this use.
2. Self-storage is a low impact use for the site compared to alternate uses. Very little traffic with no peak times, no impact on schools or similar community facilities, no noise or light pollution for the residential homes to the north, and little to no impact on fire and police services.
3. The exterior being proposed for the eastern building façade along 48 includes brick, stone, storefront glazing and EIFS materials that will provide a great aesthetic and curb appeal.
4. Buildings 3-14 (as shown on the site plan) will be metal building construction similar to traditional storage buildings and as depicted in the photo in the attached presentation.

May 15, 2020

Mr. Jeff Palmer
Director of Planning and Zoning
7593 Bunnell Hill Road
Springboro, OH 45066

Mr. Palmer,

I wanted to notify you that I am granting Mr. John Kopilchack and COR 310, LLC the authority to be the agent representing my property, 9175 Route 48, Centerville, OH 45458, throughout the rezoning and PUD approval process in front of Warren County Regional Planning Commission and Clearcreek Township. I grant them this authority from today's date, May 15, 2020 until February 2, 2021.

Sincerely,

Mr. Robert Rhoads
