ZONING DEPT.

Mr. Palmer,

Design Homes and Development Company request the Silver Mill PUD Rezoning Application be tabled until the November 2, 2020 Zoning Commissioning meeting.

We are currently finalizing the redesign of the concept plan regarding lowering the density with added character, and amenities.

In addition, we have been trying to gather all information to address the community concerns regarding, sewer capacity, water main pressure, overall site drainage, and community traffic impact.

Please contact me if any further information is needed.

Thank you.
