

## OPEN SPACE:

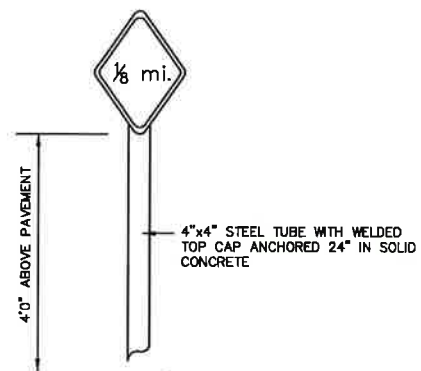

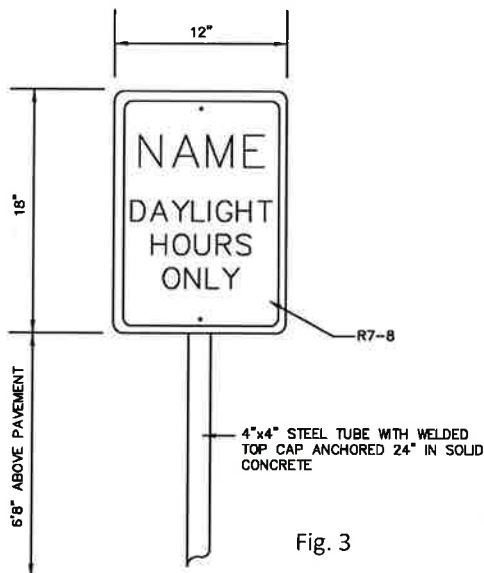

### WALKING PATH: RESERVE A & C

The walking paths in Reserve A include an existing 10 foot asphalt path (no modifications) and a 6 foot asphalt path that borders the north side of the development. This portion was revised to 6 foot to match the existing path. It will be identified by the name "Vino". A walking path sign indicating the name and "Daylight Hours Only" will be placed at the points of intersection between the walking path and the street. 1/8 Mile markers will be placed along the trail to indicate location in case of emergency. These signs are depicted on Preliminary Plat Plan Sheet C.103, C.104 & C.105 Rev 5/8/13.

The walking path in Reserve C includes an existing 10 foot asphalt path (no modifications) and 4 foot mulch path that winds through Openspace on south eastern portion of the development. This path will be identified by the name "Napa". A walking path sign indicating the name and "Daylight Hours Only" will be placed at the points of intersection between the walking path and the street. 1/8 mile markers will be placed along the trail to indicate location in case of emergency. These signs are depicted on Preliminary Plat Plan Sheet C.103, C.104 & C.105 Rev 5/8/13.

A Walking Path Sign and Mile Marker Details depicted in Fig. 3 & Fig. 4

To avoid unnecessary infestations of animals or insects the trashcans have been eliminated from these paths.
