March 14, 2019

Many Clearcreek Township residents recently received a letter from Dynegy Energy Services related to their electric supply. This is a legitimate letter and is a program put in place by the Township. This process is called Aggregation and is governed by the Public Utilities Commission of Ohio (PUCO) for local governments to pursue.

In November 2015, the voters of Clearcreek Township approved the Township to become an Electric Aggregator. The Township subsequently followed the process required by the PUCO and got re/certified as an Electric Aggregator. The Township then came to agreement with Dynegy Electric Services to put in place a fixed rate of 5.39 cents per kWh for a three year term starting in August 2016.

A few points for clarity's sake:

- The rate is fixed at 5.39 cents per kWh (kilowatt hour).
- The term is for three (3) years, and expires in August 2019.
- There is no fee or penalty if you wish to get in/out of the program at any time.
- This does not impact, affect, or change Duke Energy or DP&L from providing the same services to distribute, maintain, or respond to an emergency.
- This does not change your bill or anything regarding your bill other than seeing the Dynegy Energy Services name listed by your electric generation costs on your bill.
- **This is an “opt-out” program, so you must take action if you do not wish to participate.**
- The Township is gathering pricing at present as we are nearing the end of our current agreement, and will continue the program as long as the rate is better than what Duke Energy and DP&L offer as a retail rate.
- The Township pursued this solely to save our residents money, as it created an economy of scale, which the Township used as leverage for the favorable rates.
- If you wish to opt out you can contact Dynegy Energy Services at 1-888-682-2170.
- If you are currently with another supplier and want to opt in, please call 1-888-682-2170.

If you have questions for the Township you may contact Matt Clark, Township Administrator, at 937-748-1267.

Sincerely,

A handwritten signature in cursive script that reads 'Matt Clark'.

Matthew J. Clark
